1. The South West Dr Stephen Dinniss Foundation and Medical Student Poster Prize will take the form of a competition in which medical students and foundation doctors will be invited to submit a poster along with a written abstract on any area of psychiatry. The posters will be displayed at the 2024 Spring Biannual Meeting and their respective abstracts published in the Programme and Abstracts Booklet. The number of posters will be limited to 5 and these will be selected according to the date of their arrival at the Division office.
2. All entrants must be [Foundation Associates](#) or [Student Associates](#) of the Royal College of Psychiatrists on the closing date and working or studying within the [South West Division](#) area on the closing date.
3. Posters and written abstracts should be accompanied by a completed entry form and photo and filming consent form, which should be emailed to southwest@rcpsych.ac.uk by the closing date of **28 March 2024, at 9am**. Postal entries will not be accepted.
4. Entrants will be invited to present their poster to judges during the breaks at the Spring Biannual Meeting on **17 May 2024**.
5. Written abstracts should be produced in Montserrat 10pt typeface on 1 sheet of A4 with 2.5 cm margins. Handouts that mirror the poster presentation but give greater detail may be displayed by the poster on the day (it is the entrant's responsibility to supply and transport all handouts).
6. Posters should be produced on 1 sheet no larger than size A1 (portrait) to fit onto a display board.
7. All entrants must be explicit in their entry about their contribution to the submitted work and that of all other named contributors. Entrants must have made a substantial contribution to the work to qualify for selection. Only one poster may be submitted per applicant.
8. Entries will be assessed by a panel of three Judges, one of whom will be a member of the Executive Committee.
9. The areas marked will be (1) Scientific content, (2) Innovative ideas, (3) Sustainability and combatting climate change, (4) Methodology, (5) Clinical application, and (6) Quality of presentation.
10. The prize will be awarded only if, in the opinion of the judges, at least one entry is of a sufficient standard to merit the prize.
11. The Judges' views will be final. The Judges will not be available for correspondence with entrants on any subject related to the assessment of entries.
12. A First Prize certificate and £100 will be awarded to the overall winner. Further Judges Prize certificates may be awarded at the discretion of the Judges.
13. There is an expectation that anyone entering the prize will be able to attend the Spring Biannual Meeting on 17 May 2024. Entrants (up to two per submission) must register to attend the meeting and have their poster on display by 9am on the day. Where authors are unable to present, the poster will be withdrawn from the competition.
14. All accepted entrants (up to two per submission) will be guests of the Executive Committee and will not be charged a conference fee. Medical students may apply for travel expenses in addition.
15. Announcements will be placed on the South West Division section of the Royal College of Psychiatrists website and in the following divisional e-newsletter to note the winning entrants.
