Private Psychiatry

Dr. N. Bohra (India)

Media & Public Education

Dr. A Sharma (India)

Research

Prof. P Udomratn (Thailand)

WPA Section on Psychiatry in Developing Countries International Psychiatric Conference

Theme

“Improving mental health care in developing countries”

WPA Section on Psychiatry in Developing Countries announces its first International meeting being held at Lahore, Pakistan as a co-sponsored event with South Asian Forum on Mental Health, World Association for Psychosocial Rehabilitation, South Asian Division of Royal College of Psychiatrists, UK, Asian Federation of Psychiatric Associations & World Federation for Mental Health. The meeting will have a number of scientific sessions addressing the recent updates in the field of mental health. We are also planning to have workshops, teaching sessions and training seminars for the young doctors covering a wide range of topics in this important medical specialty.

It is expected that this meeting will be attended by a number of mental health professionals from Developing as well developed countries from all over the world..

There is an encouraging response from Asian countries and we are also expecting delegates from India, Sri Lanka, Bangladesh, Nepal, Philippines, Bhutan, Malaysia, Brunei and Japan.

Our Section also feels that this activity will emerge as a milestone in the development of mental health awareness in the developing world. It is hoped that this meeting will also go a long way in establishing contacts among the professionals working in different countries that will of course help in promoting a cause for better mental health services at all levels of medical and social care.

We look forward welcoming you at this event

Yours truly,

Prof. M.P. Deva, Chairman of Section, devaparameshvara@yahoo.com

Dr. Afzal Javed, Secretary of Section, afzal.javed@ntlworld.com
