

# “Village of Hope”

## Village of Hope for Earthquake victims in Pakistan and Kashmir

We are all shocked and saddened by the death and destruction caused by the earthquake in Kashmir and Pakistan. The death toll has reached 80 thousand and continues to climb. In Muzaffar Abad the whole student population has perished under the rubble of the collapsed school and university buildings. The plight of the survivors has continued. It is feared that a second wave of deaths is on its way due to the survivors being exposed to rain, hailstorms, and cold. There is an urgent need for shelters.

The International Medical & Educational Trust (IMET) is asking for your help to build a “Village of Hope” of 1,000 prefab homes in the affected areas (see picture in below). Each home costs 500 USD. I ask that you sponsor one or

more homes to give a fresh start to the families who have lost so much in this calamity. Considering the magnitude of death and destruction, this effort is only a drop in the bucket, but every bit of help counts.

**Please contribute abundantly.**

Your fellow men are reaching for help, will you give them a helping hand?

IMET is a 501(c)-3 Non-Profit Foundation. Your donations are tax deductible under Tax ID # 43-1814910. Please make your checks payable to International Medical and Educational Trust (IMET) and mail to 2516 Forum Blvd., Suite 102 Columbia, MO 65203 or **you may direct deposit into IMET account #0163317 at Boone County National Bank under routing number 081500859.**

**Boone County National Bank ‘s address is 8<sup>th</sup> and Broadway Columbia, MO 65201.**
