

ROYAL COLLEGE OF PSYCHIATRISTS SUBSCRIPTION BANDS AND INTERNATIONAL DIVISIONS

APPENDIX 2

To assist members overseas for whom the College subscription represents a large proportion of income, the College has adopted a banding system for overseas subscriptions based upon that offered by the World Psychiatric Association. Countries are classified according to per capita income (latest World Bank figures) and members pay 100%, 80%, 60% or 40% of the subscription and / or registration fee. The country bandings are shown below. The rates will be applied automatically based on the address held.
