

Registering and Enrolling on All Wales Child Psychiatry

Registration and enrolment on a PLATO course is simple and does not take long. If you already have an account then you can skip straight to part 2, Enrolment.

Part 1, Registration

1. Open your web browser and type this address into the address bar;
www.pgmdewales.net/PLATO

There are two halves to the page, the left is for those who already have an account, the right hand side is for those who want to make a new account. Click the 'create new account button' in the bottom right corner.

2. The 'create new account' button will get you to the account creation page. The first thing you are asked for is a username and password. You can choose whatever you want for your username and password as long as they do not contain spaces or special characters. The other five fields on this page are self explanatory (first name, email address, etc)

You will need a valid email address for this page , this must be either

- a. A Doctors.net email address (usually ending with [@Doctors.org.uk](mailto:Doctors.org.uk))
 - b. Cardiff University email ending with [@Cardiff.ac.uk](mailto:Cardiff.ac.uk)
 - c. Any NHS email ending with wales.nhs.uk
3. Once you fill in the form and click the '*create my new account*' button, an email will be sent to whatever email address you used to make the account. It usually takes a maximum of five minutes to arrive, check your junk mail box if it hasn't arrived, it could be there. You will not be able to go on to Part 2 without clicking the link in the activation email, Once you find the mail and click the link you will be taken to the learning@nhs.wales home page and your new account is officially active.

Part 2, Enrolment

You can access your course by clicking the link below

<http://www.mle.wales.nhs.uk/course/view.php?id=77>

Each PLATO course has a **course key**. This is a password that you are asked for on your first visit to a course. Your key is UPPER CASE and is;

ELUCP

Once you enter the key, you can come and go as you please. You can always find the courses you are enrolled onto easily by looking in the 'My Courses' item once you login. You may also want to bookmark the home page with your browser.
