

Forensic Teaching - Ethiopia

Summary

The Addis Ababa University Faculty of Medicine is in acute need of sub specialty teachers in the field of forensic and addiction psychiatry for its new/young residency programme in psychiatry. The programme would benefit most from retired experts who could stay in the country for a longer period.

Job Description

Teach residents forensic psychiatry and addiction psychology/psychiatry. Help the department/ministry of health in designing treatment/rehabilitation programmes at different levels. Create and strengthen international collaboration with the Royal College and other institutions.

The length of assignment is for a maximum of 1 month and is available now.

If you are interested in this opportunity please complete the volunteers registration form (available at <http://www.rcpsych.ac.uk/docs/SVP-VolunteerQuest.doc>) and send it together with your up to date CV to Lena Hartley at lhartley@rcpsych.ac.uk or call Joanna Carroll, International Manager at the College, on 020 7235 2351 ext. 123.
