| 13.30 - 13.35 | Welcome Address  
Dr Regi Alexander and Dr Ian Jones, Congress Co-chairs                                                                                 |
| 13.35 - 14.05 | Keynote  
**KN1 President’s Valedictory Lecture**  
Professor Sir Simon Wessely, President of the Royal College of Psychiatrists                                                                  |
| 14.05 - 14.35 | Keynote  
**KN2 The strange case of Dr Oliver Sacks**  
Professor Anthony David, Professor of Cognitive Neuropsychiatry, King’s College London                                                      |
| 14.35 - 15.05 | Keynote  
**KN3 The paradoxical place of novelty and familiarity in the consolidation of memory**  
Professor Richard Morris, Research Professor of Neuroscience, University of Edinburgh                                                          |
| 15.15 - 16.30 | Neurological Disorders  
**MC1 Managing Functional Neurological Disorders Masterclass**  
Chair: Dr Niraj Agrawal, South West London & St George’s MH NHS Trust, London                                                                      |
|             | Communication and Self-help  
Dr Jon Stone, Western General Hospital, Edinburgh                                                                                               |
|             | Neuropsychiatric management  
Dr Alan Carson, Royal Edinburgh Hospital, Edinburgh                                                                                           |
|             | MDT & Pathways  
Professor Mark Edwards, St George’s, University of London, London                                                                               |
|             | Psychopharmacology  
**S1 Current and future therapeutic advances in dementia**  
Chair: Professor John O’Brien, University of Cambridge and Dr Hamish Mc-Allister-Williams, Institute of Neuroscience, Newcastle University |
|             | The new BAP Guidelines for Managing Dementia  
Professor John O’Brien, University of Cambridge                                                                                                    |
|             | Therapeutics for Lewy body Dementia: Old and New  
Dr John-Paul Taylor, Newcastle University                                                                                                         |
|             | Preventing dementia: a realistic prospect?  
Professor Craig Ritchie, University of Edinburgh                                                                                                 |
|             | E-Psychiatry  
**S2 Breaking out of the ivory tower: Innovation to engage clinicians with research**  
Chair: Professor Helen Killaspy, University College London & Camden and Islington NHS Foundation Trust                                                |
|             | Digital dissemination for research impact  
Mr Andre Tomlin, Managing Director, MINERVATION LTD                                                                                                 |
|             | Clinicians’ attitudes towards mental health research  
Dr Golnar Aref, University College London & Camden and Islington NHS Foundation Trust                                                                |
|             | Getting off the page—digital media and the future of medical communication  
Dr Niall Boyce, Editor, The Lancet Psychiatry                                                                                                     |

| 11.30-12.45 | **S17 Academic Freedom in a World of Impact Factors, Metrics, and Indexing -** Lessons for Students, Trainees, Clinicians, and Academics  
Chair: Professor Kenneth R. Kaufman, AM, MD, FRCPsych, DFAPA, FAES, Prof or Psychiatry and Neurology, Rutgers Robert Wood Johnson Medical School, New Jersey  
**Metrics for research impact: mad, mindful or mischievous?**  
Kamaldeep S. Bhui, MBBS, MSc, MD, FRCPsych, Professor of Cultural Psychiatry & Epidemiology, Centre Lead for Psychiatry, Wolfson Institute of Preventive Medicine Hon. Consultant Psychiatrist, East London Foundation Trust, Barts & The London School of Medicine & Dentistry, Queen Mary University of London, London  
**Using metrics to assess academics: advantages, flaws and controversies**  
Carmine M. Pariante, MD, FRCPsych, PhD, Professor of Biological Psychiatry and Head of Section Stress, Psychiatry and Immunology Lab & Perinatal Psychiatry Research Group, Consultant Perinatal Psychiatrist, South London and Maudsley NHS Trust, Institute of Psychiatry, Psychology and Neuroscience, King’s College London, London  
**Academic freedom: a perspective from the Americas**  
Javier I. Escobar, MD, MSc, DFAPA, FACNP, Associate Dean for Global Health, Professor of Psychiatry and Family Medicine, Rutgers Robert Wood Johnson Medical School, New Brunswick, New Jersey  |
| 12.45-13.40 | Lunch                                                                 |
| 13.45-14.15 | **KN6 Simon Wessely in Conversation with Deborah Bull**  
Deborah Bull, CBE, Writer, Broadcaster and former Creative Director of the Royal Opera House and Assistant Principal, King’s College, London  |
| 14.15-14.45 | **Keynote**  
**KN7 The impact of stigma in psychiatry told through the lens of sexuality and gender**  
Professor Michael King, Professor of Primary Care Psychiatry and Joint Director of PRIMENT Clinical Trials Unit, University College London  |
| 14.55-16.10 | **Clinical Practice**  
**MC4 The organisational management of traumatic stress**  
Chair: Dr Asha Pook  
Professor Neil Greenberg, Professor of Defence Mental Health, King’s College London  
**Neuropsychiatry**  
**TC2 Disorders at the interface of neurology and psychiatry: Turning in on the self**  
Course Leader: Alan Carson  
**Auto-immune neurology**  
Dr David Hunt- Senior Research Fellow and Hon Consultant Neurologist, University of Edinburgh  
**Inflammatory Psychiatry**  
Professor Jonathan Cavanagh, Professor of Psychiatry, University of Glasgow  |
| 14.45-14.55 | **Driving Change**  
**S18 Keeping Mental Health on the Map: How Messaging is Key**  
Chair: Ms Kim Catcheside, Strategic Director Communications, Royal College of Psychiatrists  
**Fairer policies and better services: how to use evidence to change society**  
Mr Andy Bell, Deputy Chief Executive, Centre for Mental Health  
**Positioning Mental Health front and centre of Sustainability Transformation Plans**  
Dr Sridevi Kailiändi, Consultant Psychiatrist in Rehabilitation & Recovery, Trust Clinical Liaison Lead for Contracts, SlaM NHS FT; Visiting Senior Clinical Lecturer, Institute of Psychiatry, Psychology and Neuroscience; Chair, Faculty of Rehabilitation & Social Psychiatry, Co-Chair, Joint Commissioning Panel for Mental Health, Royal College of Psychiatrists  
**Starting A Movement: the Modern Rehabilitation Psychiatry Strategy**  
Dr Sabina Burza, Consultant Psychiatrist, Priory Group, Executive Member and Communication Strategy Lead, Faculty of Rehabilitation & Social Psychiatry, Royal College of Psychiatrists |
### Psychopharmacology

**S19 The Clinical Challenges of Pharmacological Relapse Prevention**  
Chair: Peter Haddad, Consultant Psychiatrist, Greater Manchester West Mental Health NHS Foundation Trust; Honorary Clinical Professor, University of Manchester  

**Pharmacological relapse prevention for schizophrenia**  
Professor Thomas R. E. Barnes, Imperial College London  

**Preventing relapse and recurrence in bipolar disorder**  
Dr John Cookson, East London Foundation Trust  

**Pharmacological relapse prevention for depression**  
Dr Hamish McAllister-Williams, Newcastle University

### Quality Improvement

**S20 Serious incidents and patient safety**  
Chair: Rob Poole, Professor of Social Psychiatry, Bangor University, Wales  

**What information do health professionals need to improve patient safety?**  
Dr. Geraldine Strathdee C.B.E. MRCPsych, National Clinical Lead, Mental Health Intelligence Network; PHE Specialist adviser on Population mental health, integrated care and prevention; Hon. Consultant Psychiatrist, Oxleas NHSFT; Visiting Professor, Integrated mental health programme, UCL Partner; Patron, Positive Practice collaborative; Trustee, the Poppy Factory  

**Lessons from the College Quality Networks and Accreditation Schemes**  
Adrian Worrall, Head of The Royal College of Psychiatrists’ Centre for Quality Improvement  

**Lessons from the Invited Review Service**  
Lucille Shackleton, Manager, The Royal College of Psychiatrists’ Invited Review Service

### Education

**S21 Preparing the next generation of Doctors: developing the Undergraduate Curriculum**  
Chair: Dr Kate Lovett, Dean, Royal College of Psychiatrists, London  

**Undergraduate Medical Education: preparing medical students to champion mental health**  
Professor Stuart Carney, Medical Dean and Deputy Executive Dean, The University of Queensland, Australia  

**Beyond Psychiatry – expanding our role in Medical Education**  
Professor Ania Korszun, Professor of Psychiatry and Education, Barts and the London School of Medicine and Dentistry, Queen Mary University of London  

**Preparation for the future: broadening the experience for medical students**  
Dr Helen Crimlisk, Director of Undergraduate Psychiatry, Sheffield Health and Social Care NHS Foundation Trust and Sheffield Medical School  

**AntiBASH – where are we now?**  
Lesley Thoms, National Medical Director’s Clinical Fellowship Scheme (2015-16), Royal College of Psychiatrists

### Coffee

**S22 Sleep: its importance, what can go wrong and the treatment of sleep disorders**  
Chair: Dr Hamish McAllister-Williams, Newcastle University  

**Sleep – why is it important?**  
Professor Russell Foster, University of Oxford  

**Sleeping too much?**  
Dr Kirstie Anderson, Newcastle University  

**Sleeping not enough?**  
Dr Hugh Selsick, Royal London Hospital

### New Science

**S32 How do risk genes cause major psychiatric disorders?**  
Chair: Prof Stephen Lawrie, University of Edinburgh

- **Modelling a Genetic Risk for Schizophrenia in human induced pluripotent stem cells (iPSCs) and cerebral organoids**  
  Dr Mandy Johnstone, University of Edinburgh
- **The genetics of cognition and its role in major psychiatric disorder**  
  Prof Andrew McIntosh, University of Edinburgh
- **How do NMDA receptor mutations cause mental disorders?**  
  Dr Katie Marwick, University of Edinburgh
- **Molecular Basis of Phenotypic Severity in Rett syndrome**  
  Dr Kyla Brown, University of Edinburgh
- **How do schizophrenia-associated mutations in the synaptic density protein DLG2 influence interneuron properties?**  
  Dr Panagiotis Giannopoulos, University of Edinburgh

### Developmental

**MC8 Masterclass**  
Professor Rachel Yehuda, Director of Mental Health PCC, Department of Veterans Affairs and Professor of Psychiatry, Icahn School of Medicine at Mount Sinai, New York

### Borders of Psychiatry

**S33 The intersection of spirituality and mental health among diverse and disadvantaged populations**  
Chair: Dr Paramabandhu Groves, Camden & Islington NHS Foundation Trust

- **BiCulturalism: Maori Perspectives on Mental Health in Aotearoa New Zealand**  
  Dr Rob Waller, Waitemata District Health Board, New Zealand
- **Native American recovery programmes**  
  Dr Suzanne Owen, Leeds Trinity University
- **Mental health dimensions of conversion to Buddhism in the Dalit community**  
  Dr Sushrut Jadhav, University College London

### Clinical Practice

**MC9**  
*Everything you wanted to know about drugs and alcohol but were afraid to ask...*  
*All you wanted to know about alcohol and drugs...*  
Dr Ed Day, Senior Clinical Lecturer in Addiction Psychiatry, National Addiction Centre

- **Alcohol: improving decision-making about prescribing for relapse prevention, and engaging patients with liver disease**  
  Dr Annie McCloud, Consultant Addictions Psychiatrist, WDP
- **Negotiating care of patients with comorbid mental health and substance use problems in the face of changing service boundaries**  
  Dr Sarah Welch, Consultant Addictions Psychiatrist, Gloucester

### Lunch

**12.45-13.40**

**KN10 Intergenerational Transmission of Trauma**  
Professor Rachel Yehuda, Director of Mental Health PCC, Department of Veterans Affairs and Professor of Psychiatry, Icahn School of Medicine at Mount Sinai, New York

### Keynote

**13.45-14.15**  
**KN11 Mental Health and Autism**  
Dame Steve Shirley
### Clinical Practice

**S34 Therapeutic relationships and professional boundaries**  
Chair: Professor Catherine A Robinson, Co-Director, Centre for Mental Health and Society, Bangor University

**Spirituality and religious belief**  
Professor Rob Poole, Professor Social Psychiatry, Co-Director Centre for Mental Health and Society, Bangor University

**Medicalisation of everyday distress**  
Dr Derek Summerfield, Consultant Psychiatrist South London and Maudsley NHS Foundation Trust and Honorary Senior Lecturer Institute of Psychiatry

**Sexual boundary violations**  
Dr Gwen Adshead, Consultant Forensic Psychiatrist Ravenswood House and Visiting Professor Gresham College

### Telepsychiatry: Use of New Media Technologies in the Delivery of Mental Health Care

Chair: Dr. Justin Marley, Consultant Psychiatrist, North Essex Partnership University NHS Foundation Trust; RCPsych Informatics Committee Vice-Chair

**Empirical research and regulatory framework for telepsychiatry**  
Dr Cyrus Abbasian, Consultant Psychiatrist & College Tutor, South West London and St George’s Mental Health NHS Trust; Honorary Senior Lecturer, St. George’s University of London; Partner and Addictions Lead at Psychiatry-UK LLP

**Introducing telepsychiatry into an NHS Emergency Department**  
Dr Kezia Lange, Consultant Psychiatrist, Oxford Health NHS Foundation Trust

**Examples of successful implementation of telepsychiatry**  
Jane Sedgwick, Tutor in Mental Health Nursing at King’s College London; PhD Candidate; UK Adult ADHD Network (UKAAN) Executive Member

### New Science

**S36 Deep Brain Stimulation in Severe Treatment Refractory Obsessive-Compulsive Disorder (OCD)**  
Chair: Dr Lynne M Drummond, Consultant Psychiatrist and Head of South West London and St George’s Mental Health NHS Trust’s Specialist Obsessive-Compulsive (OCD) and Body Dysmorphic Disorder (BDD) Services. Chair, Network for Obsessive Compulsive And Related Disorders (OCARD)

**First UK Trial of Deep Brain Stimulation in OCD – Overview & Impact**  
Eileen Joyce, Professor of Neuropsychiatry, IoN Motor Neuroscience & Movement Disorders, UCL Institute of Neurology & Faculty of Brain Sciences

**Comparison of Clinical and Neurophysiological Response with Stimulation of STN or VCVS or Both in OCD DBS Trial**  
Dr Himanshu Tyagi MRCPsych, Senior Clinical Research Associate at UCL Institute of Neurology and Consultant Neuropsychiatrist at National Hospital in Neurology and Neurosurgery

**Cognitive Differences With Stimulation of STN or VCVS or both in OCD DBS Trial**  
Dr Annemieke Apergis-Schoute, Research Associate, Behavioural and Clinical Neuroscience Institute, University of Cambridge

### Developmental

**S37 Developmental Disorders**  
Details TBC

### Borders of Psychiatry

**S38 Beyond the Event Horizon**  
Chair: Dr Hugh Series

**Success in Scotland**  
Professor Chris Freeman

**Retired and Independent in the West Midlands**  
Dr Lesley Haines

**Revelations of the Retired in the South West**  
Dr Paul Divall, Independent Consultant Psychiatrist
14.55-16.10  Clinical Practice
S39 Why people die by suicide and the profound effect this has on psychiatrists
Chair: Dr William Burbridge-James, Consultant Psychiatrist in Medical Psychotherapy, South Essex Partnership University Foundation NHS Trust

Running a Group for Consultant Psychiatrists who have Experienced a Suicide
Dr Rachel Gibbons, Consultant Psychiatrist in Adult Psychiatry and Psychotherapy, and Psychoanalyst, Barnet Enfield and Haringey Mental Health Trust

A Psychoanalytic Understanding of Suicide Part 1
Dr Yakeley, Consultant Psychiatrist in Forensic Psychotherapy and Director of the Portman Clinic, Tavistock and Portman NHS Foundation Trust

A Psychoanalytic Understanding of Suicide Part 2
Dr William Burbridge-James, Consultant Psychiatrist in Medical Psychotherapy, South Essex Partnership University Foundation NHS Trust

16.10-16.30  Coffee

16.35-17.50  E-Psychiatry
S40 e-Health and clinical decision making driven by data
Chair: Lola Morón MD, PhD, Founder and Medical Director of Nozaleda y Lafora, Mental Health Clinic, Madrid

Evidence and cost-effectiveness of massive data analysis for an integrated clinical care pathway: bridging the gap in inpatient rehabilitation
Dr. Michael Dilley, Consultant Neuropsychiatrist in Neurorehabilitation, Wolfson Centre for Neurorehabilitation, George’s University Hospitals NHS Foundation Trust

The impact of e-Health technologies on the future of mental health care institutions and organizations
Alejandro García, PhD, Director of Innovation in ATAM, Spain

Management and analysis of massive data for clinical research and decision making
David Prieto-Merino, PhD, Applied Statistical Methods in Medical Research Group, Catholic University of Murcia, Spain; Farr Institute of Health Informatics Research, University College London

New Science
MC10 Advances in neuro-immunology for psychiatrists
Chair: Dr Belinda Lennox, Department of Psychiatry, University of Oxford

Immunosuppressive and biologic therapies of autoimmunity
Dr David Jayne, University of Cambridge

Update on multiple sclerosis
Prof Alasdair Coles, University of Cambridge

Update on diseases caused by anti-neuronal antibodies
Dr Belinda Lennox, University of Oxford

Borders of Psychiatry
S42 The Arts and Psychiatry
Chair: Dr Iain Smith, Consultant Psychiatrist, Gartnavel Royal Hospital, Glasgow

’We are all a little mad in one or other particular’. The portrayal of madness in the work of Muriel Spark
Dr Allan Beveridge, Queen Margaret Hospital, Dunfermline

Cervantes, Don Quixote & Psychiatry
Professor Femi Oyebode, University of Birmingham

True stories – no such thing? Narrative, perspective, and portrayals on screen
Dr Stephen Potts, Consultant in Transplant Psychiatry, Royal Infirmary of Edinburgh

9.40-10.55  Driving Change

**S46 Global Challenges of Chronic Medical and Mental Illnesses**
Chair: Professor Kenneth R. Kaufman, AM, MD, FRCPsych, DFAPA, FAES, Prof or Psychiatry and Neurology, Rutgers Robert Wood Johnson Medical School, USA

*Bridging the health divide: improving health outcomes for people with mental disorders*
Dr Amanda Baxter, B.App.Sc, MPH, PhD, The School of Public Health, University of Queensland Herston, Australia; Queensland Centre for Mental Health Research, Brisbane, Australia

*Cultural values and mental illness. Integration or disintegration*
Dinesh Bhugra, CBE, MBBS, MPhil, PhD, FRCPsych, FRCP, Emeritus Professor of Mental Health and Cultural Diversity Health Service and Population Research Department, Institute of Psychiatry, Psychology & Neuroscience, King’s College London

**Global Challenges of Chronic Medical and Mental Illnesses – Stigma**
Graham Thornicroft, MBBS, MSc, PhD, FRCPsych, Professor of Community Psychiatry, Centre for Global Mental Health and Centre for Implementation Science; Chair, Maudsley International Institute of Psychiatry, Psychology and Neuroscience, King's College London

10.55-11.15  Coffee

11.20-12.35  Clinical Practice

**S48 Humanitarian Psychiatry: Practising mental health in emergency settings, learning from experience and how to have a useful impact**
Chair: Dr Stania Kamara, Psychiatrist- Kings Sierra Leone partnership

*Practising mental health in emergency settings, learning from experience and how to have a useful impact*
Dr. Lynne Jones, Consultant Psychiatrist, Cornwall

*Lessons from field work*
Dr Pieter Ventevogel, Senior Mental health Advisor UNHCR

*Refugee mental health and MHPSS response*
Dr Peter Hughes, Consultant Psychiatrist, Chair of Volunteering and International Psychiatry Special Interest group – Royal College of Psychiatrists

New Science

**S49 Developing new approaches to treat depression**

*Use of hallucinogens to treat depression*
Dr Robin Carhart-Harris, Imperial College London

*Ketamine and depression*
Dr Rupert McShane, Oxford

*TMS and depression*
Dr Lena Palaniyappan, Canada

Psychopharmacology

**S50 Mortality in Severe Mental Illness…. more than just the drugs**
Chair: Professor Nicol Ferrier, Institute of Neuroscience, Newcastle University

*Mortality in Medicated and Unmedicated Schizophrenia*
Professor Thomas R. E. Barnes, Imperial College, London

*Mortality in Victorian Asylums*
Professor Nicol Ferrier, Institute of Neuroscience, Newcastle University

*Do inequalities in medical care influence morbidity and mortality in SMI?*
Professor Alex Mitchell, Leicester Royal Infirmary, Leicester
### Driving Change

**S51 Psychiatry and the Media**  
Chair: Prof Sir Simon Wessely, President of the Royal College of Psychiatrists

**Changing the news agenda over two decades of media exchanges**  
Dr Peter Byrne, Consultant Psychiatrist, East London Foundation Trust

**A psychiatrist in the media spotlight: an exploration of personal and professional boundaries**  
Dr Lauren Gavaghan, Consultant Psychiatrist in Eating Disorders, Bristol

**Read all about it – how science hits the headlines**  
Dr Lucy Potter, ST4 General Adult Psychiatry & Medical Psychotherapy, South London & Maudsley NHS Foundation Trust  
Dr Howard Ryland, ST6 Forensic Psychiatry, South West London and St. George’s Mental Health NHS Trust
