Acknowledgements

The FOCUS Project is funded by a grant from the Gatsby Charitable Foundation and the Department of Health (Section 64 Grant award). The editors are grateful to the library staff of the Friends of the Children of Great Ormond Street Library, Sanjay Mistry and the Department of Epidemiology and Biostatistics at the Institute of Child Health for their support and assistance. We would also like to thank the contributors for both the first and second edition who provided references from their particular areas of expertise. Thanks also to Clare College, Cambridge, whose gates are pictured on the front cover.
