Any such minutes, if purporting to be signed by the Chair of the meeting at which the proceedings were held or by the Chair of the next meeting, shall be evidence of the matters stated in such minutes without any further proof.

9. The College shall employ a chief executive ("**Chief Executive** ") who shall be appointed by the Board of Trustees. Pursuant to paragraph 13 of Section XVII of the Bye-Laws, the Board of Trustees delegates to the Chief Executive (with power to sub-delegate) the day to day managerial control of the operations and affairs of the College generally together with such powers of the Board of Trustees (with power to sub delegate) as are necessary for the effective performance of such managerial control, in each case subject to such directions and restrictions as the Board of Trustees may from time to time impose. 1. These Regulations do not currently prescribe, with regard to paragraphs 1 and 5 of Section XVIII of the Bye-Laws, any further terms and conditions for the delegation by the Board of Trustees of the functions and powers referred to in that paragraph.
2. As prescribed by paragraph 1 (b) of Section XVIII of the Bye-Laws, the Disciplinary and Complaints Committee shall be charged with the duty of advising the Board of Trustees upon all matters relating to removal from Membership of or Association with the College and upon all matters relating to complaints received under the College's complaints procedures.
3. The Disciplinary and Complaints Committee shall be chaired by the Registrar and membership shall consist of the Registrar, the Dean and two members of the Board of Trustees or the Council to be appointed by the Registrar and one representative. In the event that the Registrar or the Dean were subject to the proceedings of the Disciplinary and Complaints Committee the Treasurer would substitute as a member thereof. The Chief Executive will have the right to attend and speak (but not vote) at meetings of the Committee but may be excluded from all or part of a meeting at the direction of the chair of the meeting if he or she decides that is appropriate to do so. At any meeting of the Disciplinary and Complaints Committee, three members of that Committee shall be a quorum.

The Finance Management Committee

4. Membership of the Finance Management Committee shall consist of:

- (a) The Treasurer, who will chair the Finance Management Committee;
- (b) One Lay Trustee, who shall be appointed from amongst the Lay Trustees on the basis of relevant knowledge, experience or expertise; and
- (c) Three members of the Council who are not also members of the Board of Trustees, being one member from among the Divisional representatives on the Council, one member from among the Faculty representatives on Council and one other member nominated by the Council (from among the elected Fellows, Members or Specialist Associates). These representatives shall be selected by discussion and nomination within their respective groups on the Council. Should there be more than one candidate from any one group, an email FPTP ballot will be conducted in accordance with the applicable provisions of paragraphs 11 to 18 inclusive of Section XXVI amongst that group to determine the chosen representative.

The Chief Executive and the Director of Finance and Operations shall normally have the right to attend and speak (but not vote at) all meetings of the Finance Management committee but may be excluded from all or part of a meeting at the direction of the chair of the meeting if he or she decides that is appropriate to do so.

5. The Board of Trustees have not at the date of adoption of these Regulations constituted any other Committees, pursuant to paragraph 2 of Section XXVIII of the Bye-Laws, in addition to the Finance Management Committee and the Disciplinary and Complaints Committee.

General provisions relating to Committees of the Board of Trustees

6. These Regulations do not currently prescribe (with regard to paragraphs 1 and 5 of Section XVIII of the Bye-Laws) any rules of procedure, which apply to meetings of committees of the Board of Trustees in place of any rules of procedure set out in the Bye-Laws which regulate the proceedings of the Board of Trustees, other than the rules of procedure set out in this Section. The rules of procedure specific to particular committees are set out in the paragraphs of this Section which specifically relate to that committee. The following paragraphs of this Section set out rules of procedure which apply to the proceedings of committees generally except to the extent that they conflict with the specific rules of procedure set out above.

7. Except as expressly provided in this Section in the case of committees specified in this Section or in the terms of reference in the case of any committees of the Board of Trustees constituted after the date of adoption of these Regulations, a committee of the Board of Trustees shall not appoint any sub-committees without the prior approval of the Board of Trustees.

8. The members of each committee of the Board of Trustees can decide when and where to have meetings and how they will be conducted except as otherwise provided below or in the Bye-Laws. They may also adjourn meetings.

9. A meeting of any committee of the Board of Trustees can be called by the Chair of that committee or by any two members of that committee on not less than five clear days' notice.

10. Notice of a meeting of any committee of the Board of Trustees shall be deemed to be duly given to a member of that committee if it is in writing and sent by post or delivered to him or her or sent by electronic in accordance with paragraph 7 of Section XXVI of the Bye-Laws. It shall not be necessary to give notice of a meeting of any committee of the Board of Trustees to any member of the committee:

(a) who has waived the requirement that notice be given to him or her of any meeting of that committee, either prospectively or retrospectively and any retrospective waiver shall not affect the validity of the meeting or of any business conducted at the meeting;

(b) who is absent from the United Kingdom unless he or she has asked the Chair of that committee in writing that notices of meetings of that committee shall during his or her absence be given to his or her address in the United Kingdom notified to the College for this purpose, but he or she shall not, in such event, be entitled to a longer period of notice than if he or she had been present in the United Kingdom at that address.

11. With regard to paragraph 6 of Section XVII of the Bye-Laws, these Regulations do not currently prescribe (in addition to the Bye-Laws) any matter which has to be decided by any committee of the Board of Trustees by a higher majority than a simple majority of votes. In the case of an equality of votes the Chair of that meeting shall have a casting vote unless, in accordance with the Bye-Laws or these Regulations, he or she is not to be counted as participating in the decision-making process for quorum or voting purposes when such meeting is held.

12. No business shall be transacted at any meeting of a committee of the Board of Trustees unless a quorum is present at the commencement of the meeting and also when that business is voted on, provided that no quorum shall be necessary for the purposes of adjourning a meeting. The quorum necessary for the transaction of business of any committee of the Board of Trustees shall be:

(a) the number nearest to one third of the total number of the members of that committee (who are entitled to vote at meetings of that committee), whichever is the greater; or

(b) such larger number as may otherwise be determined from time to time by that committee to be the quorum.

13. The proceedings and resolutions of meetings of each committee of the Board of Trustees, including:

(a) the names of those present and in attendance;

(b) the decisions made at the meeting (including resolutions passed); and

(c) where appropriate, the reasons for the decisions,

shall be minuted. Draft minutes of each meeting will be reviewed first by the chair of that meeting and then shall be circulated to all members of the Committee for approval at the next meeting of that Committee. Once approved, the minutes of each meeting will be circulated to all members of the Board of Trustees and to the Chief Executive unless it would be inappropriate to do so in the opinion of the Committee chair. In addition to circulation of the minutes of meetings, the Chair of each

committee of the Board of Trustees shall take any other steps reasonably required to ensure that all acts and proceedings of that committee are fully and promptly reported to the Board of Trustees. Any such minutes, if purporting to be signed by the Chair of the meeting at which the proceedings were held or by the Chair of the next meeting, shall be evidence of the matters stated in such minutes without any further proof.

14. Any person elected to serve on any one or more committees of the Board of Trustees shall cease to be a member of all such committees:

(a) if he or she ceases to be a member of the Board of Trustees as provided in Section XXI of the Bye-Laws; or

(c) if an interim receiver is appointed in respect of that person's property or he or she makes any arrangement or composition with his or her creditors and the Board of Trustees (on the advice of the Disciplinary and Complaints Committee) by simple majority vote directs that he or she be removed from all such committees.

15. Any person elected to serve on any committee of the Board of Trustees shall cease to be a member of that committee:

(a) if, by notice in writing to the President he or she resigns office as a member of that committee; or

(b) if he or she shall fail to attend more than two consecutive meetings of that committee without providing an explanation which that committee shall consider satisfactory and resolves by simple majority vote that he or she is removed from that committee; or

(c) If he or she, in the reasonable opinion of that committee, has seriously or persistently neglected or been incompetent in the performance of his or her duties as a member of that committee and that committee resolves by simple majority vote that he or she is removed from that committee; or

(e) on such other grounds, as may be specified in the Disciplinary and Complaints Regulations,

and provided that in any such case (apart from paragraph (a) above) the Disciplinary and Complaints Committee makes a determination, in accordance with the Disciplinary and Complaints Regulations, that the he or she shall cease to be a member of that committee. Any such resolution as is referred to in sub-paragraphs (b) and (c) above shall not be implemented unless and until so determined by the Disciplinary and Complaints Committee. The procedures governing such removal shall be prescribed in the Disciplinary and Complaints Regulations.

Section XIX. The Council

2. With regard to the procedure for co-opting up to five co-opted members of Council (as referred to in paragraph 3 (g) of Section XIX of the Bye-Laws), any Member of the College or Specialist Associate who is recommended by the President may be co-opted as such member of Council by resolution of the Council. If a Member or Specialist Associate is recommended for co-option by virtue of a College role being performed by him or her, the period of office shall be co-terminous with that role. In other cases, the period of co-option shall be 2 years unless otherwise provided in the resolution of Council approving the co-option. Any such co-opted member of Council shall only become eligible for further co-option after an interval of one year since his or her most recent period of co-option.

A list of such fixed dates shall be circulated to each member of the Council at the start of each College Year and, in addition a separate notice of each meeting shall be given in writing to each member of the Council not less than five clear days before the date of that meeting. Notice of any meeting of the Council must be accompanied by:

- (a) an agenda specifying in reasonable detail the matters to be raised at the meeting; and
- (b) copies of any papers to be discussed at the meeting.

Matters not on the agenda, or business conducted in relation to those matters, may not be raised at a meeting of the Council unless the chair of the meeting determines otherwise. As provided in paragraph 4 of Section XXVI of the Bye-Laws no failure to send a notice or agenda of any meeting shall invalidate the business transacted at that meeting.

4. Notice of a meeting of the Council shall be deemed to be duly given to a member of the Council if it is in writing and sent by post or personal delivery to him or her or by electronic means in accordance with paragraph 7 of Section XXVI of the Bye-Laws. It shall not be necessary to give notice of a meeting of the Board of Trustees to any member of the Council:

- (a) who has waived the requirement that notice be given to him or her of any meeting of the Council, either prospectively or retrospectively and any retrospective waiver shall not affect the validity of the meeting or of any business conducted at the meeting;
- (b) who is absent from the United Kingdom unless he or she has asked the Council in writing that notices of meetings of the Council shall during his or her absence be given to his or her address in the United Kingdom notified to the College for this purpose, but he or she shall not, in such event, be entitled to a longer period of notice than if he or she had been present in the United Kingdom at that address.

5. With regard to paragraph 1 of Section XIX of the Bye-Laws no additional affairs are currently designated as the responsibility of the Council under these Regulations.

6. With regard to the election of the four elected members of Council (as referred to in paragraph 3(d) of Section XIX of the Bye-Laws) elections shall be held to ensure that there are not less than four such elected members at any one time, of whom not more than two are Fellows subject to

the overall condition that no such elected Member, Specialist Associate or Fellow shall serve on the Council for more than five years in that capacity without a break of at least one year.

The election procedure is as follows:

- (a) Any nominee who is proposed and seconded by members of the Council and gives his or her consent in writing to serve shall be validly nominated by the Council;

Should there be more nominations than vacancies, an election shall be held by STV ballot of the Members of the College in accordance with the applicable provisions of paragraphs 11 to 18 inclusive of Section XXVI. The ballot paper shall not indicate the method of nomination or the names of those nominating. If the number of nominees does not exceed the number of vacancies and those nominees do not include more than two Fellows, these nominees shall be declared elected at the first meeting of the Council, after the expiry of the period of four clear weeks in this paragraph referred to.

7. With regard to paragraph 3 (f) of Section XIX of the Bye-Laws, the patient and carer co-Chairs of the Patients and Carers Committee will be appointed to the Council as the patient representative and the carer representative respectively.

9. With regard to paragraph 8 of Section XIX of the Bye-Laws, these Regulations do not prescribe (in addition to the Bye-Laws) any matter which has to be decided by the Council by a higher majority than a simple majority of votes. In the case of an equality of votes the Chair of the meeting of Council shall have a casting vote unless, in accordance with the Bye-Laws or these Regulations, he or she is not to be counted as participating in the decision-making process for quorum or voting purposes when such meeting is held.

10. The following provisions of this paragraph 10 only apply if the Council, with the approval of the Board of Trustees, resolves to permit remote attendance at meetings of the Council and/or at meetings of the committees of Council. Subject to the prior approval of the Chair of the meeting, unless otherwise specifically provided in the notice convening the relevant meeting, any members of the Council may validly participate in a meeting of the Council or a meeting of the committee of the Council through the medium of conference telephone or any other form of communications equipment (whether in use when these Regulations are adopted or developed subsequently

(collectively "**Remote Communication**"), provided that all persons participating in the meeting are able to hear and speak to each other throughout such meeting. Such a meeting shall be deemed to take place where the largest group of those participating is assembled or, if there is no group which is larger than any other group, where the Chair of the meeting then is.

11. The proceedings and resolutions of meetings of the Council, including:
 - (a) the names of those present and in attendance;
 - (b) the decisions made at the meeting (including resolutions passed); and
 - (c) where appropriate, the reasons for the decisions,

shall be minuted. Draft minutes of each meeting will be reviewed first by the chair of that meeting and then circulated to all members of the Council and to the Chief Executive for approval at the next meeting of the Council. Any such minutes, if purporting to be signed by the Chair of the meeting at which the proceedings were held or by the Chair of the next meeting, shall be evidence of the matters stated in such minutes without any further proof.

12. Pursuant to paragraph 12 of Section XIX of the Bye-Laws, the Council delegates to the Chief Executive (with power to sub delegate) the day to day managerial control of those affairs of the College which are referred to in paragraph 1 (a) of Section XIX of the Bye-Laws together with such powers of the Council (with power to sub delegate) as are necessary for the effective performance of such managerial control subject in each case to such directions and restrictions as the Council may from time to time impose.

5. With regard to paragraph 2 of Section XXVI of the Bye-Laws, these Regulations do not currently provide for General Meetings to be held more frequently than once every calendar year but, unless provided otherwise, the following provisions of this paragraph 5 and the provisions of paragraph 6 below shall apply to all General Meetings. No business shall be transacted at any Annual General Meeting notice of which has not appeared in the notice convening the Meeting unless the transaction thereof has been approved by the Board of Trustees or by the Council as may be appropriate.

6. No Resolution shall be put to the vote at an Annual General Meeting unless it has first been submitted to the President or to the Council or the Board of Trustees as appropriate, who may in his, her or their respective discretion declare that a vote thereon shall be taken only at an Annual General Meeting or at a Special Meeting called for that purpose. Any written request under paragraph 5 (b) or paragraph 5 (c) of Section XXVI of the Bye-Laws must:

- (b) state the general nature of the business to be dealt with at the meeting; and
- (c) include the text of a resolution intended to be moved at the meeting.

The Registrar shall thereupon send to every Member and Associate of the College who is entitled to attend a notice convening the Meeting and specifying the time, place and object thereof. A Special Meeting convened pursuant to a request under 5(c) of Section XXVI of the Bye-Laws shall be held no later than three months after the request is received. With regard to paragraph 5(c) of Section XXVI of the Bye-Laws these Regulations do not currently prescribe a lower number.

8. The Council or the Board of Trustees may refer any Motion proposed at an Annual General Meeting or at any Special Meeting to a vote by ballot of Members of the College and Specialist Associates. Any action taken by the Council Board of Trustees after such referral and ballot shall be valid if the Motion received a simple majority of the votes cast in such ballot.

9. The President and the Council or the Board of Trustees may, in the name of the College, invite strangers to be present at any meeting and such strangers may speak at the invitation of the President but may not vote.

10. Any Member of the College or Associate of the College, may introduce a stranger to any Scientific Meeting of the College and the stranger so introduced may join in the discussion of papers read at the Meeting, at the invitation of the Chair, but may not vote or otherwise take part in business relating to the affairs of the College.

11. Any election by ballot under these Regulations will use either of the following voting systems:

(a) 'first past the post' whereby voters vote for their favoured candidate and the candidate with the most votes in the constituency wins (all other votes counting for nothing) and any ballot using this voting system is referred to in these Regulations as a '**FPTP Ballot**';

(b) 'single transferable vote' (as described in paragraph 18 of this Section) and any ballot using this voting system is referred to in these Regulations as a '**STV Ballot**'.

12. Unless otherwise expressly provided in these Regulations, the following provisions apply to in any election by FPTP ballot required under these Regulations:

(a) the person conducting the ballot shall at least fourteen days before the election date send a ballot paper to all members entitled to vote in the constituency.

(b) the College Scrutineers will be two Fellows appointed by the President for an initial term of four years, with the provision to re-appoint for a further four years. The names of the College Scrutineers will be reported to the Board of Trustees.

(c) The ballot paper shall:

(i) contain the names of all nominees and number of vacancies;

(ii) specify the date on which the ballot paper must be received by the Chief Executive;

- (iii) contain instructions on how to vote, whether by post and/or e-mail; and
- (iv) specify the e-mail address to which the ballot paper should be returned;
- (d) All ballot papers shall be sent to the Chief Executive as appropriate to be received by the date referred to in paragraph 11 (c)(i) above.

13. In any ballot (whether a FPTP ballot or a STV ballot), the ballot paper may, if any nominee so requests, be accompanied by a short supporting statement by that nominee. In the case of elections for Honorary Officers of the College, Chairs and Vice-Chairs of Faculties, Sections and Divisions, the supporting statement shall not exceed five hundred words and in the case of other elections, two hundred words.

14. When a vote by ballot is held for an office or position to be held by a single individual and is required under these Regulations to be an STV ballot, the election will be conducted by the use of the single transferable vote (in accordance with the procedures for the single transferable vote published by the Electoral Reform Society). Votes will be transferred (in accordance with the order of preferences expressed in the ballot papers) until one candidate has achieved the necessary quota of votes to be elected. All ballot papers shall be sent to the Electoral Reform Society.

15. When a vote by ballot is held to elect to a number of positions, such as for the election of the Education and Training Committee or ordinary members of the Council, and is required under these Regulations to be an STV ballot the election will be conducted by use of the single transferable vote. Votes will be transferred until the necessary number of candidates have achieved the necessary quota of votes to be elected. A ballot papers signed or (if applicable) submitted by e-mail or online will be valid, even if no subsequent preferences are expressed, if a first preference is clearly expressed. Subsequent preferences are contingency choices only which may or may not be expressed and, if expressed, may not be considered.

16. Unless the Board of Trustees determine otherwise, any election required under these Regulations to be held by STV ballot shall be conducted by the Electoral Reform Society in accordance with their guidelines and procedures for elections by the single transferrable vote. In the case of any conflict between these Regulations and the guidelines and procedures of the Electoral Reform Society, the Electoral Reform Society shall have discretion as to how resolve any such conflict and may determine that their guidelines and procedures take precedence.

17. A report on an election by ballot (whether by FPTP ballot or STV ballot) shall be published on the College Website as soon as practicable after the election date and shall contain:

- (a) the total number of ballot papers received by post and by e-mail;
- (b) the number of ballot papers rejected on the basis of improper completion;
- (c) information as to the preference votes received and how these have been transferred where there are more than 2 candidates in an election; and
- (d) the name of the candidates elected. Subject to no challenge being received under this paragraph, the report shall be conclusive despite any irregularity in the ballot. In the absence of

challenge, the ballot papers and electronic records may, in the absence of such challenge be destroyed or deleted no earlier than 4 weeks after the election date. An election by ballot shall be valid notwithstanding any failure of a Member of the College or Specialist Associate to receive a ballot paper or any failure of the Registrar to receive a completed ballot paper, save that any twelve Members of the College and/or Specialist Associates (taken together) may within two weeks of the result of the election becoming known make a written request to the Registrar to investigate the election and in such case the Board of Trustees shall refer the matter to the Disciplinary and Complaints Committee which may take whatever action in the light of such report it may consider to be appropriate including ordering a new election or elections; provided that, unless the Disciplinary and Complaints Committee otherwise decides, the persons elected by the original election shall assume and hold their positions until the result of any new election is known, whereupon they shall (if the result thereof so requires) give place to the persons elected by the new election.

18. References in these Regulations to 'the single transferable vote' shall mean a vote (a) capable of being given so as to indicate the voter's order of preference for the nominees; and (b) capable of being transferred to the voter's next choice when the vote is not required to give a prior choice the necessary quota of votes, or which, owing to the deficiency in the number of the votes given for a prior choice, that choice is eliminated from the list of nominees. Under this voting system nominees do not require a majority of votes to be elected, just a known 'quota', or share of the votes, determined by the size of the electorate and the number of positions to be filled.
