<b>Stakeholder organisation</b>	<b>Agree / Disagree with proposal to update</b>	<b>Comments Please insert each new comment in a new row.</b>	<b>Comments on areas excluded from original scope</b>	<b>Comments on equality issues</b>
RCPsych in Wales		In general, we agree that the current guidelines do not need to be updated as there is no effective treatment available, pharmacological or psychological.		
			The use of drugs for conduct disorder, in particular risperidone, and antipsychotics for adult APD, as these are used in practise.	
			The appropriateness of using hospital orders for people with APD.	
			The responsibilities of prisons holding patients with APD.
