Association and College rules and charters

The initial rules for the newly founded Association of Medical Officers of Asylums and Hospitals for the Insane were drawn up by Dr Samuel Hitch, the Founder and first Secretary. These were revised in 1855. In 1890 the Association (now the Medico Psychological Association) petitioned to be allowed a Royal prefix. Having failed to receive royal recognition it was registered as an Incorporated Association in 1895. In 1925, following a petition to become a Royal Association, conditional assent was given. In 1926 the Association received its first Royal Charter. In 1971 following long, tortuous and difficult negotiations (described in Chapters 6 and 7) the Association became a Royal College with a new Charter.

INITIAL RULES OF ASSOCIATION (1841)

The aims of the Association and College have hardly changed between the initial meeting in 1841 and 1971 when the College was founded. The first rules drafted by Dr Hitch were accepted by the five other founding members. At that meeting it was resolved that ‘an Association be formed of the Medical Officers attached to Hospitals for the Insane, whose objects shall be:

‘Improvement in the management of such institutions and the treatment of the insane; and the acquirement of a more extensive and more correct knowledge of insanity.

That the medical gentlemen attached to hospitals for the insane be individually addressed and requested to join the Association.

That by the members of this Association the terms ‘Lunatic’ and ‘Lunatic Asylum’ be abandoned, except for legal purposes, and that the terms ‘insane person’ and ‘hospital for the insane’ be substituted.

That to effect the great objects of this Association, visits be made annually to one or more of the Hospitals for the Insane in the United Kingdom; and that the order of rotation in which such visits shall be made, be determined at the general meetings.

That the concurrence of the Governors of the several hospitals, to this arrangement, be solicited by the respective Medical officers.

That at its meetings the Association ascertain and record, as far as possible, the medical and moral treatment adopted in each Hospital.
That to ensure a correct comparison of the results of treatment in each it is strongly recommended that uniform registers be kept, and that tabular statements upon a like uniform plan be circulated with the Annual Report of each hospital; or when this be not practicable, that it be otherwise transmitted to the Association.

That at the meetings papers and essays be read; subjects of interest to the insane and to the Association be discussed, and information communicated and that a copy or minutes of these be preserved in the Journal of the Association.

That at the Annual Meetings the Senior Medical Officer of the Hospitals visited be Chairman.

That a Secretary be appointed to keep the Journals, papers, etc. of the Association, and to perform the usual duties of such officer.

**REVISED RULES (1855)**

These initial rules remained in place, with occasional amendments made at annual general meetings until 1854 when a Revision Committee was formed with J. Thurnam, M.D. as Secretary. They presented their draft rules to the AGM on 19 July 1855 and these were accepted.

1. **Objects.** – That the objects of the Association shall be the improvement of asylums and hospitals for the insane; the acquisition and diffusion of a more extended knowledge of insanity and its treatment; and the promotion of a free communication on these subjects between the Members.

5. **Arrears.** – That any member in arrear of his subscription more than twelve months after the expiration of the year for which it becomes due, and more than three months after application by the Secretary for the same, shall cease to be considered a Member of the Association, provided no reason satisfactory to the annual meeting be assigned for the non-payment of such arrears.
6. **Honorary Members.** – That gentlemen, whether of the medical profession or otherwise, who are distinguished by the interest they take in the erection and management of asylums and the proper treatment of the insane, be eligible for election as honorary Members, the election to be by ballot as in the case of ordinary members.

7. **Officers.** – That the officers of the Association do consist of a President, Treasurer, General Secretary, a Secretary for Scotland, a Secretary for Ireland, the Editor of the Journal, and two Auditors, who shall be elected at each annual meeting.

15. **Finance and Asylum Journal.** – That after the payment of the ordinary expenses of the Association, the surplus funds shall be appropriated in aid of the Asylum Journal, published by authority of the Association; the accounts of the Editor of the said Journal and of the Treasurer of the Association shall be examined by two Auditors, who shall report to each annual meeting. Each ordinary Member of the Association to be entitled to receive the said publication without further payment.

16. **Register of Cases.** – That to insure a correct comparison of the results of treatment in the several institutions, it is strongly recommended to those Members who have the superintendence of public asylums to keep registers of the cases admitted, according
to the form agreed on, at a meeting of the Association held at Lancaster in 1842; and to append to their respective annual reports, tabular statements on, as far as possible, a like uniform plan.

N.B. Copies of these registers, which were printed at the charge of the Association, may still be obtained at cost price, on application to the Secretary from Mr Simpson, Bookseller, York.

17. *Disuse of Obsolete Terms.* – That by Members of the Association such terms as ‘lunatic’ and ‘lunatic asylum’ be as far as possible disused, and that except for official or legal purposes the terms ‘insane person’ and ‘asylum’ or ‘hospital for the insane’ be substituted; and that generally all terms having an opprobrious origin or application in connection with the insane be disused and discouraged.

18. *Alteration of Rules.* – That any member wishing to propose any alteration in, or addition to the rules, do give notice of his intention at a previous annual meeting, or give a month’s notice to the Secretary, who shall inform each Member of the Association of the same, in the circular by which such meeting is called.

(Signed) JOHN THURNAM, President.

These rules, with minor amendments at Annual General Meetings, continued until the 1890’s, when the Association sought to become a Royal Medico Psychological Association. Their request was refused, and as an alternative, having failed to receive Royal recognition, the Association was registered as an Incorporated Association under the Companies Act (1862-1893) on 30 July 1895.
