

# Royal College of Psychiatrists in Scotland Liaison and Neuropsychiatry Faculty Conference 2024

Friday 19<sup>th</sup> April 2024  
Radisson Blu Hotel  
Glasgow, G2 8DL

We are inviting posters to be presented at this meeting from medical students, psychiatrists of all grades and other allied professionals. These can be on any topic relevant to liaison and neuropsychiatry. It could be a piece of research, an audit, or perhaps a literature review. A prize of £100 will be awarded to the best poster as judged by members of the Faculty Executive Committees.

Please submit a brief abstract of the poster to [angela.currie@rcpsych.ac.uk](mailto:angela.currie@rcpsych.ac.uk) by 5pm on Friday 22<sup>nd</sup> March 2024.

## Poster Presentation Guidelines

You should ensure your poster is up by 9.00am on the day of your presentation. Authors are requested to be present near/next to their poster boards during the coffee and lunch breaks, to allow for any possible clarifications or questions, but it is not a necessity.

**Posters will be on display** for the duration of the conference.

**Please note** - you are responsible for collecting your poster at the end of the day. If you are unable to do this in person, we recommend that you arrange for a colleague to collect the poster on your behalf or arrange for a courier to collect it.

- You will be allocated space on a board
- The ideal poster size is a maximum of **90cm wide x 120cm high**. (View sample).
- Posters should be professionally printed and will only be accepted for display if they are on one sheet only. Multiple sheets of A4 cannot be accommodated.
- All illustrations, drawings, photographs and text (including photo captions) should either be mounted or printed on smooth lightweight card 1mm thick or laminated. We recommend that posters are printed on one large sheet and, where possible, produced professionally.
- All material should be legible from a distance of TWO metres.
- The top line(s) should give the title of your abstract
- The next line(s) should indicate the authors and their affiliations.
- Continue with the introduction, methods, results and discussion as appropriate. The poster should end with conclusions.
- We will provide materials on the day for mounting the presentation on the poster boards.
- Handouts and/or reduced photocopies of your poster for distribution to interested delegates are always appreciated. These should be prepared in advance of the meeting. Please bring an envelope/clear folder in which you may place A4 reprints of your poster or relevant material
