The Conference Committee reserves the right to change the Programme without prior notice. Please note, mock interviews must be booked in advance on a first-come first served basis. This section of the event is outside of the registration fee, there is no additional charge for participating in a mock interview. However, you must register for the event before booking a mock interview slot. Mock interviews are offered purely to provide an opportunity to practice interview skills and receive feedback on structure and presentation. Please email michael.jamieson@rcpsych.ac.uk to book your mock interview slot.
