## Books

Our collection is based on recommendations from members, with free postal loans. Let us know what books you would like to see in the library.

## Journals and Databases

The College provides OpenAthens accounts to its members, giving them access to a wide range of e-resources, including key journals and three major databases, including:

*Academic Psychiatry  
Lancet Psychiatry  
Psychiatry Research*

*Medline  
PsychINFO  
Embase*

We also offer free literature searches and help with systematic reviews!
