The RCPsych is an inclusive organisation with over 21,000 members who have a diverse range of views, which we look to represent across the programme. To further open dialogue, scientific discovery and enrich learning, we provide our members with the opportunity to hear from a range of professionals. The speakers, panellists and participants views and comments are their own and not the established views of the College.

Session 4 | Renal Medicine and Urology

Chair: Richard Breeze

3.25pm	Renal medicine: An update Nicholas Mansfield. Consultant in Renal Medicine and Nephrology. Guy's and St Thomas' Hospital, London
4.05pm	Urology: Recent advances in treatment and screening Ben Challacombe. Consultant Urological Surgeon and Honorary Professor of Urology and Robotic Surgery, Guy's and St Thomas' Hospital, London
4.45pm	Closing remarks Richard Breeze and Irene Cormac
4.50pm	End of conference
