The Royal College of Psychiatrists in Scotland is inviting poster submissions for the Addictions Faculty Conference on Friday 27 March 2026. This conference will be taking place in-person at Apex Dunblane Hydro. All submissions will be reviewed ahead of the conference and successful authors will then be invited to display their work at the venue. They will be accessible for all attendees to view before and during the conference.

Please note that posters will be displayed in person at the venue, and members will be able to view at registration, breaks and lunch.

If your poster is accepted, we regret however that we cannot provide you with a free place at the conference.
