-
- Once at the gatehouse to loading bay 2, all vehicles must follow the instructions of the loading bay staff.
 - Please note the height limit to access the loading bay is 4.3m.
 - The speed limit in the loading bay is 5mph.
 - Load in & load out can be incredibly busy. We please request that you unload/load your vehicle within a 30-minute window to allow other vehicles into the bay. You are also welcome to park in the King's Dock multi-storey car park and carry your exhibition material in on foot.
