Dear colleague

We hope you can join us for an interesting and varied online conference, catered specially for trainees, from medical students to higher trainees.

There is an **exciting** line-up of speakers including **Dr Subodh Dave** (Dean of the RCPsych), **Dr Shahid Latif** (Chair of the RCPsych Trent Division) and **Dr Chinwe Obinwa** (President of the Association of Black Psychiatrists UK). A range of topics relevant to trainees will be covered including future plans for training, diversity and inclusivity, leadership, quality improvement, research, lived-experience and well-being.

We hope to see you there!

Emma, Deepa and Kris
