

**NAD**  
NATIONAL AUDIT  
OF DEMENTIA

The background of the title page is an impressionist painting of a sea and sky. The sky is a mix of blue, grey, and white, with soft, blended colors. The sea below is a vibrant green and blue, with white foam from the waves. The overall style is characteristic of the Impressionist movement, with visible brushstrokes and a focus on light and color.

**Table 5:** Data and Staffing

For each staff role, the mean, median, minimum and maximum were calculated using only data from services that reported at least 0.01 WTE for that role. Services reporting 0 or no value were excluded from the calculations for that specific role only. Consequently, the averages reflect staffing levels among services in which the role is present, rather than across all services.
