

ACTION Events Package

ACTION are launching a new events package available to those working within or alongside alcohol care teams. The package includes access to:

- 1 Year access per team to ACTION Community of Practice Webinars (12 sessions, April 2026 - March 2027)
- Two places at the National ACT Collaboration Day

- **ACTION's Community of Practice webinar programme** is being revised and developed towards a more interactive, workshop-style format.
- Webinars will focus on best practice and skills development for ACTs, exploring common clinical challenges faced by ACTs and covering key aspects of service provision.
- Webinars will be led by a range of clinicians and researchers, and include case studies and opportunities for breakout discussion, guided by the evidence base in key guidelines such as the National Clinical Guidelines for Alcohol Treatment (DHSC) and ACTION Standards.
- The programme is launching on **Tuesday 14th April** with a dedicated session on the new clinical guidelines.

**National ACT
Collaboration Day
3rd November 2026**
Annual, in-person
conference at the Royal
College of Psychiatrists,
London.

CPD points
available for each
session subject to
peer approval
