

ACTIVITY!

We know that staying connected and having a laugh is really important at the moment; every country has found a way – singing from their balconies in Italy, choirs forming online, everyone clapping for the NHS, fiends having online parties, pub quiz online etc.

Here are some puzzle and quiz activities that can be done separately, or together from a safe distance, and can be shared. Some of you may be busier than ever, so will need to pass this on. But for some, this will spark ideas for ways to stay entertained. In addition, you can use EE as a theme, thereby both being enabling and learning about EE!

- **General quizzes**
These can be downloaded from online sites and members of staff are well versed in sourcing these for Bank holidays etc.
- **Specialist quizzes**
These could be based on EE knowledge with input from RCP, pop quiz and again available online.
- **Puzzles/word searches**
These can be purchased or again sourced on line
- **Art Work**
From colouring in type activity to a limited painting activity or even a competition with small prizes
- **Poster competition**
Using the EE standards as a template and designing each of the 10 standards but without giving it a label name from EE
- **A form of EE bingo**
which could be broadcast on Way-out TV, residents are given a small EE standard booklet and items relating to EE are drawn out of a box for players to try and guess/workout where the item of evidence best fits
- **Poetry competition**
A theme is set and players compose there sonnet, rhyme etc
- **or a rap instead**
- **Ask Residents**
for their ideas try to make it happen “we are in this together” - very EE
- **Adapt activities** to different mediums, reading, talking, doing, preparing, resting, how can they support staff?
