Liaison Psychiatry in Bloom
“...it gets rid of those people quickly, so we can treat people who really need it”
EVERY contact you have in your work with staff in a general hospital, you are chipping away at this stigma and discrimination we face.
“A fantastic and much needed service”

“Very positive addition to our department”

“An amazing team who work really hard”

“Really value their expertise”

“Highly valued colleagues”
Quotes from Acute Colleagues

“They champion the cause of patients”

“Very professional and patient focussed”

“Deliver high quality care to our patients”

“Having them 24/7 is a godsend”
