Join CofC for our 2026 Annual Forum, where we will come together to explore how we *Cultivate Culture Through Inclusion* through a range of discussions, presentations, and workshops!

Expect a full day of connection and learning, all centred on our shared commitment to delivering inclusive therapeutic care across diverse settings.

We are now accepting **presentation submissions** and would love to include your voice. If you are interested in presenting, please complete this [form](#), and a member of the CofC team will be in touch shortly.
