

# Ladder of Participation

(Arnstein, 1969)

Drawn by Juliet Young

## Task 1

a. In your projects where are you now on the ladder of participation? Is this the same for all the populations you are working with?

b. What is your plan for moving higher up the ladder of participation?

c. How will you make sure not to slip down the ladder of participation?

**Task 2**

a. Where is your project currently at in terms of sustainable coproduction?

b. Where would you like it be in the future?

c. What is your action plan for getting there?
