

Willows PICU

Simon Evans, Theresa Jenkinson,
Dr Gareth Foote and Louisa Noruschat

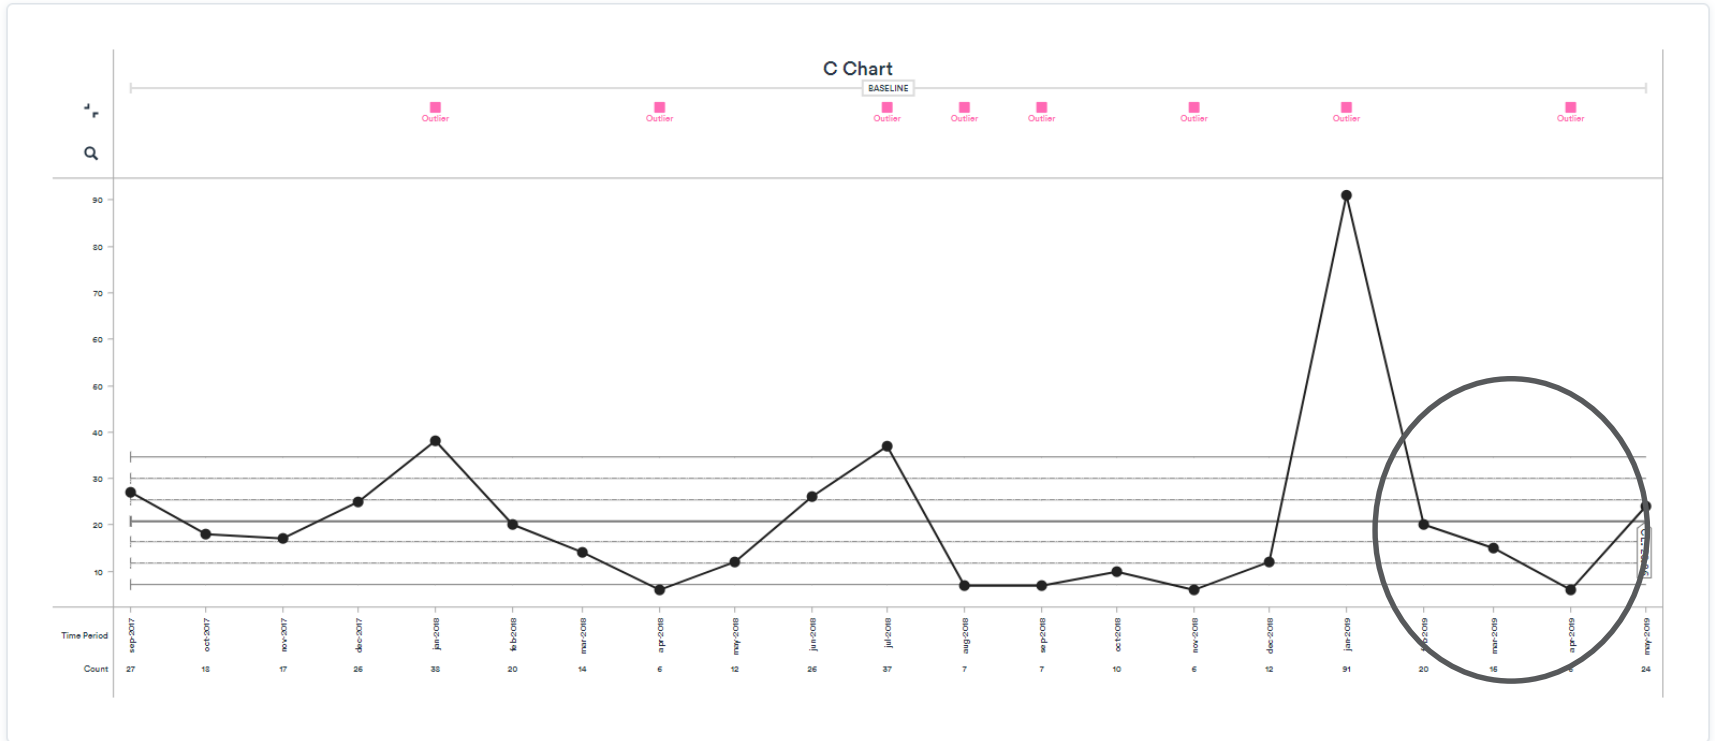

Change idea: Activities Coordinator

- Employed an activities coordinator to work for 2.5 days a week
- Test
- Feedback
- Subsequent effect
- Result = 2 weeks no restrictive practices

Aggregate chart

Edit 

- Involvement in the QI project allowed us to evidence the positive effect the activities coordinator has on reducing restrictive practices
- Willows secured activities coordinator as a full-time post

- Safety Climate Survey Result:
 - Notable Theme (Difference between Day/Night shifts)

- What is next for Willows?
 - Responding to concerns (safety climate survey)
 - Carers drop in
 - Bedroom signs (Lark ward)

Thank you for listening
