

# SCALE UP AND SPREAD

Tracey Holland  
Kate Lorrimer  
Matthew Milarski

# Sequence of improvement

# What is Scale up and Spread?

## SCALE UP

- ▶ Testing your new ways of working with an increasing number of teams e.g. other wards in your unit/hospital
- ▶ To test those ideas in different systems/infrastructures and overcome any problems that may arise
- ▶ To increase confidence that these changes work in each care setting (degree of belief)

## SPREAD

- ▶ When your proven interventions and new ways of working are implemented consistently and reliably across a whole system e.g. across a whole hospital or Trust

# Q+A SESSION

**Tracey Holland**

Professional Lead for Reducing Restrictive Interventions

Deputy Head of Quality Improvement

*Norfolk and Suffolk NHS Foundation Trust*

# Now it's your turn ...

- ▶ Use the Scale up and Spread worksheets provided
- ▶ These will help you to think practically how you might successfully share the great work you have done on your wards
- ▶ You have 5min for each of the 7 questions. For each question find a different team in the room to discuss with
