

West Yorkshire Suicide Prevention Website

Kat Trinder - Communications, Engagement and Partnerships Officer
Jessica Parker - Suicide Prevention Project Manager

Contact: Jessica.Parker@swyt.nhs.uk @JessicaParker57

Context

- Too many people take their own lives in West Yorkshire
- Reduce the suicide rate by 10% across West Yorkshire; this is one of the Partnership's 10 big ambitions.
- **Vision: Create a zero suicide West Yorkshire**
- A need to work with stakeholders around the system to understand support on offer - map VCSE sector...

Website development

- Developed in conjunction with those who have lived experience / bereaved by suicide
- Coproduced by a group of organisations including voluntary, NHS and local authorities
- **All working to reduce death by suicide in the region**
- Support what already exists at-place
- Collaboration, celebration and motivation...
