COMMENTS [continue on separate sheet of paper as required]

Comments on The Review Tribunal (Amendment) Rules (Northern Ireland) 2019

Comments:

1. Clear guidance must be provided as regards when a Tribunal should be heard on the papers and when there should be a hearing;
2. The recruitment of Medical members who are not Psychiatrists is appropriate - given the widening of the remit of the Tribunal - but it is essential that all serving members have an appropriate level of training and expertise for the role.
