Work experience in the South West Division

The College in the South West Division doesn't host work experience directly, but is currently discussing potential opportunities with local trusts across the region.

The following opportunities have been confirmed:

- **Cornwall Foundation Trust and Royal Cornwall Hospital** run a centralised process for organising work experience placements. Complete the online application form at www.getintohealthandcare.co.uk.
- **Devon Partnership Trust** is collaborating on a summer school and work experience with a local acute trust and Exeter University.
- **Dorset HealthCare** hosts an annual summer school over 4 days in July that gives an insight into what psychiatry is and there are clinical sessions as well as teaching and training, and students are able to meet psychiatrists.
- **Dorset HealthCare** offers work experience and enquirers should contact sites / departments directly. Find out more on the DHC work experience web page.
- **Dorset County Hospital** runs work experience, mostly in other areas of medicine. Contact directly for information.
- **Gloucestershire Health and Care** offers work experience, enquirers should fill in a web form on their jobs web page for more information.

- **Gloucestershire Health and Care** hosts an annual summer school event. It includes generic information about applications, plus 3 days of clinical placements. They also teach students a clinical skill and ask them to give feedback presentations about what they've learned.
- **RCPsych South West Division** hosts an annual virtual summer school in July that covers applying to medical school and the UKCAT, life as a medical student / foundation doctor / trainee, and students will hear about different sub specialties and from service users.
- **Royal United Hospitals Bath** offers work experience, find more information on the RUHB work experience web page. It is not confirmed whether psychiatry is included.
- **North Bristol Trust** offers work experience and various opportunities through their Learning and Development team. It is not confirmed whether psychiatry is included.
- **University Hospitals Bristol** offers work experience, but it is not confirmed whether psychiatry is included.
- **Oxford Health** offers work experience, but it is not confirmed whether psychiatry is included.
- **Somerset Foundation Trust** offers a general medicine work experience programme, enquirers should fill in an expression of interest form on their Work experience and career engagement web page.
