

Clinical Tutor in Global Mental Health – Zimbabwe

We are looking for a Clinical Tutor in Global Mental Health for a 6 months contract starting from around February 2015, at 80% full-time equivalent, to support the Improving Psychiatric Education and Research Capacity in Zimbabwe (IMHERZ) project. The appointment will be made, dependent on relevant experience on the senior registrar scale. Furthermore, Child and Adolescent Psychiatry experience at ST4 level or above is highly desirable. In addition, an extra 1-2 unpaid sessions will be expected to be given to support research. Accommodation and one return flight will be paid for.

The role is based in Harare, Zimbabwe. Main role is to support the undergraduate and postgraduate psychiatric medical education in line with local priorities and supporting capacity building in the psychiatry department at the University of Zimbabwe - College of Health Science (UZ-CHS).

The post holder will be based at the University of Zimbabwe College of Health Science (UZ-CHS) medical school in Harare and the Parirenyatwa Hospital, supported by Dr Melanie Abas at the Institute of Psychiatry, Psychology & Neuroscience. Supervisors in Zimbabwe will be Dr Walter Mangezi and Dr Frances Cowan.
