Breakout Sessions

15:00-16:00

The breakout sessions are an informal opportunity for trainees to network with one another or ask questions of the panel. In addition to the above panellists, there will be a cross-section of Specialist Advisors for most specialities. Please feel free to attend more than one breakout.

Details on how to join the breakout rooms will be shared with all registered attendees.

This webinar will be recorded and available on-demand after the event.
