2nd Complex Neurodisability Working Group: Section of Neuropsychiatry, The Royal College of Psychiatrists

We are pleased to announce the Second Complex Neurodisability Conference Programme. This conference will be held at St. Andrew’s Healthcare, Northampton on 9th November 2011. Prof. Tony Holland, Felicity Larson (Cambridge), Dr. Pat Abbot (Ashworth), Dr. Chris Idzikowski (Edinburgh), Dr. Harm Boer (West Midlands), Dr. Rafey Faruqui (Section of Neuropsychiatry), Dr. Anupama Iyer (Child & Adolescent Service, St. Andrew’s), Dr. Afsaneh Tajer, Dr. Elvina Chu (National Brain Injury Centre, St. Andrew’s), Dr. Hetal Mehta (Forensic Neuropsychiatry, St. Andrew’s) have agreed to talk at this conference.

The conference theme is “Secure Care & Co-Morbidities in Neuropsychiatric Practice”.

Conference content

The presentations will focus on topics related to neuropsychiatric co-morbidities and complexities in assessment and management of patients with neuropsychiatric disorders. The conference will highlight complexities in service delivery with a focused and informed overview of secure care delivery.

Who should attend?

The conference is aimed at a multidisciplinary audience including psychiatrists, psychologists, therapists, nursing staff, hospital managers, and colleagues involved in service commissioning and planning. The conference is likely to be of significant interest to postgraduate trainees in psychiatry and psychology.
